Pricing and specifications

The table below lists the four plans. Prices are per month and billed annually. Widget limits apply per account.

Plan	Monthly price	Widgets included	Support
Starter	19 USD	5	Email, 2 business days
Team	79 USD	25	Email and chat, 1 business day
Growth	249 USD	100	Priority chat, 4 hours
Enterprise	Custom	Unlimited	Dedicated engineer, 1 hour

Every plan includes the mobile dashboard, unlimited readings history for ninety days, and the standard alert channels. The Growth and Enterprise plans add the export endpoint and single sign-on. Overage widgets are billed at the rate of the plan in use.
